University Faculties and Programs

College of Technology - COLTECH

— Agribusiness Technology - ABT

      1. Agribusiness Technology - One Year Conversion - BABT
      2. Agribusiness Technology.. - ABT
      3. MSc Agribusiness Marketing Management - ABMM
      4. MSc Agribusiness Project Management - ABPM
      5. MSc. in Agribusiness Marketing Management - One Year Conversion - ABMM
      6. MSc. in Agribusiness Project Management - One Year Conversion - ABPM
      7. Ph.D Agribusiness Marketing Management - DRAM
      8. Ph.D Agribusiness Project Management - DRAPM
      9. Professional Masters in Development Studies - MIDS
     10. Professional Masters in Integrated Development and Management Studies - IDMS

— Agricultural and environmental Engineering - AEE

      1. Agricultural and Environmental Engineering - AEEP
      2. Agricultural Engineering - AEE
      3. Agricultural Engineering - One Year Conversion - AEE
      4. BSc Environmental Engineering - One Year Conversion - EEC
      5. Environmental Engineering - EE
      6. MSc Environmental Engineering - AEEP
      7. MSc Water Resource Engineering - WTRE
      8. MSc. in Agricultural Machinery and Power Engineering - One Year Conversion - AMPE
      9. MSc. in Environmental Engineering - One Year Conversion - MEE
     10. MSc. in Water Resource Engineering - One Year Conversion - WRE
     11. PhD Environmental Engineering - AEEP
     12. PhD Water Resource Engineering - WTRE

— Animal Production Technology - APT

      1. Animal Production Technology. - APT
      2. MSc Animal Production Technology - APT
      3. MSc in Biotechnology and Animal Science: Animal Nutrition and Feeding - ANF
      4. MSc in Biotechnology and Animal Science: Reproductive Physiology and Animal Health - RPHT
      5. MSc. in Biotechnology and Animal Scien: Reproduction Physiology and Animal Health - One Year Conversion - RPAH

6. MSc. in Biotechnology and Animal Science: Animal Nutrition and Feeding - One Year Conversion - ANF
7. PhD Biotechnology and Animal Science: Animal Nutrition and Feeding - ANF
8. PhD Biotechnology and Animal Science: Reproductive Physiology and Animal Health - RPAH
9. Reproductive Physiology and Animal Health - One year Conversion - RPAH

— Civil Engineering - CE

— Computer Engineering - CEN

1. B.Tech in Computer Networks and Systems Maintenance - CNSM
2. B.Tech in Computer Software Engineering - SEN
3. BTech in Data Science - BTECH-DAS
4. Computer Engineering - CEN
5. Master of Technology in Computer Engineering - Data Science - MDS
6. Master of Technology in Computer Engineering - Information Technology and Cyber Security - ITCS
7. Satellite Communications - SATCOM
8. UDT in Data Science - UDT-DAS
9. UDT Software Engineering - CEN
10. UDT-Computer Networks and System Maintenance - CNSM

— Crop Production Technology - CPT

1. BSc. Crop Production Technology - CPT
2. BSc. Crop Production Technology - One Year conversion - CPT-OY
3. MSc. in Crop Production Technology - Agronomy - One Year Conversion - CPT
4. MSc. in Crop Production Technology - Agronomy - CPT
5. Ph.D. Agronomy - Crop Production Technology - DCPT

— Electrical and Electronic Engineering - EEEP

1. B.Tech in Electric and Power Engineering - EPE
2. B.TECH IN ELECTRICAL AND ELECTRONICS ENGINEERING - EEE
3. BTech in Renewable Energy Engineering - BTECH-REE
4. BTech in Telecommunications - BTECH-TCE
5. Master of Technology in Electrical Power Engineering - MEPE
6. MTech in Renewable Energy Engineering - M.REE

7. UDT in Renewable Energy Engineering - UDT-REE
8. UDT in Telecommunication - UDT-TCE
9. University Diploma of Technology (UDT) in Electric Power Engineering - UDT-EPE
10. University Diploma of Technology (UDT) in Electronic Engineering - UDT-ELE

— Engineering and Technology - ET

1. B.Tech, Environmental Technology - ET

— Forestry and Wildlife Technology - FWT

1. BSc. in Foresry and Wildlife Technology (One Year Conversion) - FWTC
2. BSc. in Forestry and Wildlife Technology - FWT
3. Conversion Masters in Wildlife Resource Management - WLRM
4. Conversion MSc in Forest Resources Management - FORM
5. MSc. Forest Resource Management - Forest Economics - FRM
6. MSc. Forest Resource Management - Silviculture - FORM
7. MSc. Wildlife Resources Management - WLRM
8. Ph.D. Forest Resource Management - Silviculture - FORM
9. Ph.D. Wildlife Resource Management - WLRM
10. PhD. Forest Resource Management - Forest Economics - FWT

— Home Economics and Social Work - HESW

— Nutrition, Food and Bioresource Technology - NFBT

1. BSc in Food Science and Technology - FST
2. Food Science and Technology - One Year Conversion - FSTC
3. MSc Food Science and Human Nutrition - FSHN
4. MSc Nutrition, Food and Bioresource Technology (Option: Nutritional Science) - NSC
5. MSc. Food Science and Bioresource Technology (D) - FBT
6. MSc. in Food and Bioresource Technology - One Year Conversion - FBT
7. MSc. in Food Science and Technology - One Year Conversion - MFST
8. MSc. in Nutritional Sciences - One Year Conversion - MNS
9. MSc. Nutrition, Food and Bioresource Technology(Option: Food and Bioresource Technology) - FBT
10. Nutritional Sciences - NFBT
11. Ph.D Food Science and Human Nutrition - DRFS
12. Ph.D in Food and Bioresource Technology - FSBT

13. PhD Food Science and Bioresource Technology - FSBT
14. PhD Nutritional Sciences - NSC
15. Professional Masters in Applied Nutrition and Food Service Management - ANFM

— Renewable Energy Technology - REEP

1. Bioenegy Engineering - BEE
2. Master of Technology in Renewable Energy Engineering - MREE
3. Renewable Electrical Engineering - REE
4. Renewable Thermal Engineering - RTE

Faculty of Arts - FA

— Communication and Developement Studies - CDS

1. B.Sc. Communication and Development Studies - CDS
2. Conversion Masters in Communication and Development Studies - CADS
3. MSc. Communication and Development - CADS
4. PhD in Communication - COMA
5. Professional MA. Communication and Development - PCD

— Education - ED

1. BTech Didactics, Curriculum Development and Teaching - DD
2. BTECH, DIDACTION - DD

— English - ENG

1. BA. Literatures in English - LITA
